## LA MIEL DE JONATA DESSERT WINE

*“The Honey”*

---

Many years in barrel bestowed a wild and almost green tinge to this wine. Toffee, candy cap mushroom, maple sap, baking spice and nocino. Truly an elixir; an incredibly special nectar. Robust, unforgettable and endless. Cigar humidor, molasses and the essence of ripe peaches in the summer. Walnut and marzipan on the palate. Honeycomb. Never heavy nor cloying. Retains a surprising level of vigor and freshness. A wine to sip, be seduced by and discuss with good friends after a meal... for many years to come! This wine isn't going anywhere. Should sleep soundly in the cellar for decades. Likely the most profound statement Miel yet released.
